Summary

Innovative BCA student passionate about AI-driven and API-integrated web development using React.js and Node.js. Skilled in building visually appealing, responsive, and intelligent applications with a focus on modern UI design and user experience. Enthusiastic about solving real-world problems through creative coding and AI technologies.

Education

Bachelor of Computer Applications (BCA)

K.B.N College, Vijayawada – Pursuing

Intermediate (MEC)

K.B.N College | Vijayawada | 2021 – 2023

Percentage: 77%

SSC

ST. Benedict's EM High School

2020 – 2021 | K. Tadepalli

Percentage: 73%

Technical Skills

- **Languages:** java, python, JavaScript, C
- **Frontend:** React.js, HTML5, CSS3
- **Backend:** Node.js, REST APIs
- **Database:** SQL (basics)
- **Tools & Platforms:** GitHub, VS code

Languages Known

- Telugu | English | Hindi

Hobbies

- Creating innovative apps | listening to music | Cooking | Exploring new technologies

Certifications

- **TCS iON** – Communication Skills, Interview Skills, Career Edge: young professional.
- **Reliance Foundation** – Data Science and Machine learning.

Personal Skills

- Time Management | Team Work | Hardworking | communication | creativity and Innovation

Internship

1.Data Science & Machine Learning Internship

College-based Training • Apr 2025 – May 2025

- Lead an 8 – member team during a 45 – day internship focused on Python, Tableau, and core ML concepts.

2.Community Service Project – Computer Instructor

- Served as Team member of a 5 -member group, teaching computer basics to school students.

PROJECTS

- **Q & A app:** An AI-powered Q&A web app using React.js and the Gemini API that provides real-time, voice-enabled responses.
- **PPT Generator:** PPT Generator app that allows users to create presentations manually or using AI assistance.
- **QR Generator:** QR Code Generator app that instantly converts user text or uploaded images into unique, scannable QR codes.
- **Meme Generator:** Built a Meme Generator App that allows users to upload images and create custom memes instantly.
- **Resume app:** A Resume App that combines resume building and AI-powered smart analysis in one platform.
